

Headteacher: Mr H Kutty BA Hons

10th December 2021

Dear Parents/Carers,

Just a quick reminder that as usual, the school will finish at 1250 on Friday 17th December. The school buses have been adjusted to these times.

Return to school arrangements in January:

The government has very recently asked that all schools enable their students to complete a Covid test before returning in January.

In order to achieve this, we will be adjusting our return to school times after the Christmas Break. We are also asking for all students to return a saliva test before returning to school. We will have some capacity to provide an onsite LFD test, to those few who are unable to return a saliva test before restarting. Due to capacity with our Testing provider and our capacity for LFD testing we will stagger the return to school over two days in January. As such please see the instructions below for when your child should return their sample and then to school. Saliva tests can be returned to the school or the Abu-Bakr Mosque.

Year 11

Please hand in saliva sample by 0915, Tuesday 4th January
Please return to school by 0830, Wednesday 5th January
