

Statement on Equalities Policy 2020/21

We are proud of our hugely diverse and inclusive community and will continue to be so. We value, respect and care for all of our students and our aim is to ensure that they lead successful and happy lives, being kind to and understanding others.

Our Equalities Policy reflects the intent of the Equality Act 2010. By this we mean to eliminate discrimination, advance equality of opportunities and foster good relations between all members of our community.

In order to avoid confusion we are amending the wording of this policy, making a more direct reference to the Equality Act 2010.

As per published review date a comprehensive review will be carried out in February 2022
