

7<sup>th</sup> April 2022

Dear Parent/Carer,

I am writing to you to about the co-curricular programme we offer at Cantell. We are passionate about co-curricular activities and encourage our students to take a full and active role in all aspects of school life. We are able to provide a fantastic opportunity for your child to experience some of the exciting and unique clubs and activities we have on offer.

We endeavour to support all students to develop the skills and confidence needed to challenge themselves beyond the classroom. Ultimately, we believe successful involvement in co-curricular activities will build character and contribute to an all-round education. Studies show that students who participate in Co-curricular clubs often feel happier at school and develop lifelong friends as well as learning fundamental life skills which help them to be more organised, motivated and confident in a variety of different situations that life can throw your way.

After the Easter break, we are delighted to be able to offer every student in year 7 to year 10 the opportunity to attend at least one of our many different co-curricular clubs or activities. It is our expectation that every student attends at least one of these clubs each week for the rest of this academic year. During Lesson A in the first week back, students will have the opportunity to explore the fantastic range of clubs we offer using our SOCS online platform. They will then be able to sign up to the clubs of their choice.

Parents/carers, too, have a log-in section where you are able to see what clubs your child has signed up to and add this to your personal calendar. You can log-in by visiting <https://www.socscms.com/login/7862/parent> and using the contact email address you provided to Cantell. Please then click the 'activate account' button to create a password.

If you have any queries, please do not hesitate to contact me and I look forward to welcoming your child to Cantell's co-curricular programme.

Yours faithfully

Luke Wilson  
Head of Co-curricular
